SHARING OUR GIFTS

Autumn is the season for harvesting and sharing the fruits of our labors. This week's scriptures use images of the harvest, family life, pregnancy, and investment to describe the abundant harvest in the reign of God. We discover that sharing the gifts we have been given brings eternal rewards for everyone.

In the Gospel parable a master entrusts his possessions to three servants before going on a journey. Each is given some talents. What they do with those talents determines what the master will do with them when he returns. How about us? What are we doing with our talents? How will our Master treat us when he returns?

WOW! Another Successful Lourdes Festival!

WHAT A WONDERFUL GROUP OF PARISHIONERS!

We want to extend our most gracious gratitude and thanks for everyone's hard work! Everyone has had a part in the Festival's success, whether you were chairperson of a committee or as a hard worker on the committee, for donations, your prayers or as a cheer support group. You were the reason for the success. The Saturday workshop was a beautiful sight – with a promise of a future with all of these young folks in the church hall – working away. It gave Lourdes a promise for a wonderful future to look forward to. May God Bless each and every one of you for your help and hard work, and bless Lourdes Parish.

Lillian Berger & Elaine Mayer – GENERAL CHAIRWOMEN

Due to unforeseen circumstances we had to resort to serving smoked turkey this year. Commendations to our parishioners who volunteer to make our festival a success. Everyone worked together as plans changed. We apologize and appreciate your understanding. Thank you again for your support and hard work looking forward to next year.
