TRUE GRATITUDE

Let us remember that, as much has been given us,
much will be expected from us, and that true homage
comes from the heart as well as from the lips, and shows
itself in deeds.

TRUE STEWARDSHIP

The gospel message proclaimed throughout the New Testament invites us to live in harmony with the world. This is a challenge to care for the world and be stewards of all that God has given us. Like generations before us, we are entrusted with the care of the earth so that generations to follow may enjoy the same gifts. Sometimes, however, we are absorbed into the ways of the world. When we are of the world, we rely heavily on the power of wealth, beauty, fame, and accumulation of material possessions. We want earthly possessions and carelessly turn our hearts from the responsibilities of stewardship and conservation.

The readings today challenge us to walk away from the world so that we might inherit our share of God's kingdom. How we live our lives directly reflects our love for God.

Weekend of 11/28 & 29: Special Collection

Catholic Campaign for Human Development CCHD was founded in 1970 by the Catholic bishops of the United States as their domestic anti-poverty program. They realized that established charitable services alone were not creating the changes people needed to stay out of poverty. With a goal of creating sustainable systems, the bishops worked to address the policies and structures that perpetuate poverty. CCHD seeks to eliminate poverty by building solidarity in communities.
